This Order Confirmation has shipping dates based on best available information as of date indicated on Confirmation.

How to interpret Order Confirmation information:

Already Shipped Qty: Total qty that has already shipped as of the date on the Order Confirmation

Open Qty: The Qty still to be delivered for each Delivery schedule line as of the date on the Order Confirmation

Available to Ship Date: If "Blank" then the present plan is to meet the Customer Requested Date.

If populated, then date shown is date Hamamatsu expects item will be available to ship to customer.

Release Status: RELEASED means Customer has made a firm release for that delivery line and product will ship on date indicated

HOLD means delivery line is on "HOLD" for some reason (i.e -- Prepayment required, Customer Issue, Shipping issues, etc)

Such Delivery Line will NOT ship until reason for HOLD is resolved.

NOTE: Any Item that has already completely shipped will NOT display. \$ Amounts at bottom are ONLY for the remaining OPEN Qty
